ABOUT US

The Arizona Golf Association (AGA), which was founded in 1923, is a not-for-profit 501(c)(4) association that serves as the official governing body of amateur golf in Arizona. What started as a small group of golfers who got together to run the annual Amateur Championship has grown to an association of more than 700 men's and women's clubs, serving nearly 80,000 individual members. Today the AGA is a volunteer-based organization directed by amateur golfers passionately dedicated to promoting the game of golf and providing valuable benefits and services to its members.
